2022 VENDOR'S AGREEMENT

Thank you for your interest in Top Tier Board Games' 2022 Gamers Market!

We will be using a system that will allow you to sell used games for store credit. Apply the credit to your account or use it to buy from other market vendors.

How the system works:

- 1.) Vendors will be provided free table space to display their merchandise.
- 2.) Tags will be provided to price and label items.
- 3.) Sale slips will be provided to vendors to give to customers after a sale is made.
 - Sale slips will list Vendor Name, Item Sold, and Price.
 - Price should be written in after the vendor & customer have come to an agreement.
 - The customer receives the sale slip - not the item.
 - The vendor will hold the item until customer returns with receipt ticket.
- 4.) When finished shopping, customers will bring all Sale slips to the register.
- 5.) Store credit will be applied to each vendor's account.
- 6.) Customers' Sale slips will be marked & returned to the vendor to receive the item.
- 7.) Direct exchange of currency between vendors and customers is prohibited.

Date/time of event: Saturday, November 19th; 10am-2pm

Vendor Setup time: 9:30 am to 9:59 am (Contact us to request a setup extension.)
